

Restoration Industry Association Inc. Australasia Annual General Meeting

Tuesday 8th June 2021
09:00 AEST

RIA Mission Statement

The Australasian Management Committee of the Restoration Industry Association (RIA) was established to provide the Australia/New Zealand restoration industry with a vehicle by which issues facing its membership could be brought to the attention of RIA and Industry leaders. The Australasian Council serves to support RIA's membership and promote RIA's interests in Australia and New Zealand.

The Australasian Management Committee wholly supports RIA's mission statement which reads:

"The restoration contractor's foremost resource for advanced education, professional practices, member advocacy, and cultivation of industry relationships."
